Way of the Roses – Further Information

Accommodation and food

We use only tried and tested accommodation providers on our trips so that we know that you will receive an excellent level of service. They provide everything you could need after a long day in the saddle from bike storage to hot showers, hearty breakfasts and comfortable beds. Accommodation in bed and breakfasts and hotels are always on a bed and breakfast basis and trip prices are based on two people sharing a room, unless otherwise arranged. If you would prefer hostel or bunkhouse style accommodation, breakfast is not included although most hostels can provide meals at an additional charge. Hostels will often have cooking facilities so that you can prepare your own meals if you'd prefer. Wherever you stay you will be able to get an evening meal within walking distance. Lunches can usually be bought during the course of the day as you will be passing through towns or villages. It is advisable to carry plenty of snacks with you each day to keep the energy levels up!

Check-in at your accommodation will ordinarily be between 4 pm and 9 pm. Please telephone your first night's accommodation to let them know at what time you're planning to arrive. If you require an early check-in, most accommodation providers will try to adapt to your requirements but please phone ahead to ensure that an early check-in is possible. Sole occupancy rooms are usually available in hotels or guest houses so please ask us if you'd prefer to have your own room. A single supplement from £30 per person, per night will apply.

Clothing and kit

Northern England receives a generally mild climate all year round. The east coast is generally a bit drier but cooler than the west, however conditions can and do change quickly especially on higher and more exposed areas. It can rain at any time of year, sometimes all day and we often get four seasons in a day, so come prepared! A full kit list is available on our website (<http://www.trailbrakes.co.uk/kit-list-equipment-recommendations>) and a list of useful items will also be sent to you when you book your trip with us. General climatic information for York is available here: http://www.holidaycheck.com/climate-wetter_York-ebene_oid-id_9739.html. Up-to-the-minute weather forecasts for specific regions of the UK are available at the met office website (<http://www.metoffice.gov.uk/public/weather/forecast/>). It is advisable to bring a small back-pack with you on your trip, in which you can carry spare clothes and basic spares and tools that you might need during the course of a day on the bikes. Alternatively, if you're hiring bikes from us, we can provide pannier bags in which to carry supplies for the day.

Self-guided trips

Our self-guided cycling trips are designed to provide you with a completely hassle-free, truly enjoyable cycling holiday experience. We will organise every aspect of your trip including quality accommodation, bag transfers each day, detailed information about the route, waterproof maps, pick up and drop off at locations convenient for your travel plans and full support from our friendly, knowledgeable back-up team in case of technical (or physical!) emergencies. We will provide a back-up vehicle full of spares and tools to carry your baggage between your accommodation each day. Please note that baggage should be limited to one bag per person, not exceeding 20kg per bag. Our drivers are proficient bike mechanics so will be able to help you out with common technical problems. If the issue is a bit more serious, they will be able to take your bike to a local bike shop for some TLC. Their main aim is to keep you and your bike on the road!

Independent trips

Our independent trips are designed for experienced cyclists who are comfortable carrying their own basic tools and spares along with them each day so that they can fix any minor technical issues encountered along the route. For our independent trips we will provide you with everything included in our self-guided trips except the back-up service. We will organise quality accommodation, bag transfers each day, detailed information about the route, waterproof maps, pick up and drop off at locations convenient for your travel plans and a detailed list of bike shops and mobile repair services that are located along or close to the Way of the Roses cycle route. We will always be only a phone call away should you require any additional support so you'll never be truly on your own!

Bike hire

We can provide you with quality hybrid bikes which are a perfect option for the route. They have plenty of gears to help you make it up those steep climbs! Hire bikes are supplied with a spare inner tube, puncture repair kit, pump, lock, bottle holder and pannier rack. Pannier bags can also be provided by prior arrangement for an additional cost. If you need to hire a bike, please let us know at the time of booking and we will make sure that we get the right bike for you. Please check the bikes before you leave your starting location to ensure that they are in full working order and check with the person providing your bikes that the bike is set up correctly for you. Once you leave your starting location it may not be possible to exchange your bike, and, if you are taking part in an independent trip, any mechanical problems that you encounter during the course of your trip are your own responsibility.

Hire bikes are provided with comfortable touring-style saddles and standard flat pedals. You are welcome to bring your own saddle and/or clipless pedals to make your ride more comfortable. Please note that, if you're taking part in an independent trip, you may have to change your saddle and/or pedals yourself so please bring suitable tools (a pedal spanner and set of allen/hex keys) with you in order for you to do this.

Transport and baggage transfers

We are always happy to help you to get to where you need to be as quickly and easily as possible. We can provide transfers from any local airport, train or bus station or ferry terminal to your accommodation at the beginning of your trip and back again at the end. Just let us know where and how you intend to arrive at your destination and we will arrange a pick-up for you. Please note that an extra charge may apply to cover fuel costs.

We transport your bags between each night's accommodation during your trip, leaving you free to carry a small day-pack containing some spare clothes, food and drink. Please note that baggage should be limited to one bag per person, not exceeding 20kg per bag.
